

# PORCH

*at Huntington Square*

## about us.

The Porch, established in February 2021 as "Porch Thirty," was developed to be a place for all people; a place for families and dogs; a "come as you are" place to be yourself and play, laugh, & connect. Although we have evolved and changed over the years in terms of our physical space, we stand by our commitment to community and inclusivity. "It's always Porch:30" at Huntington Square!
